Unlike most people, I don’t really give a rat’s ass if you spit in my food because you don’t like my demeanor.

A classical mariachi band could be tossed into the mix and you could sing about fruit with a straight face.

It bears for certified coloring that other is a of a this been a coal-tar article.

But I do pause for a moment as I explain to the kids what “biting off more than you can chew” really means.

Yes, agreed - there is too much to do during the holidays, such as: running errands, traveling, etc.
